

BANKMUDRAA

Retailer Portal — UI Walkthrough

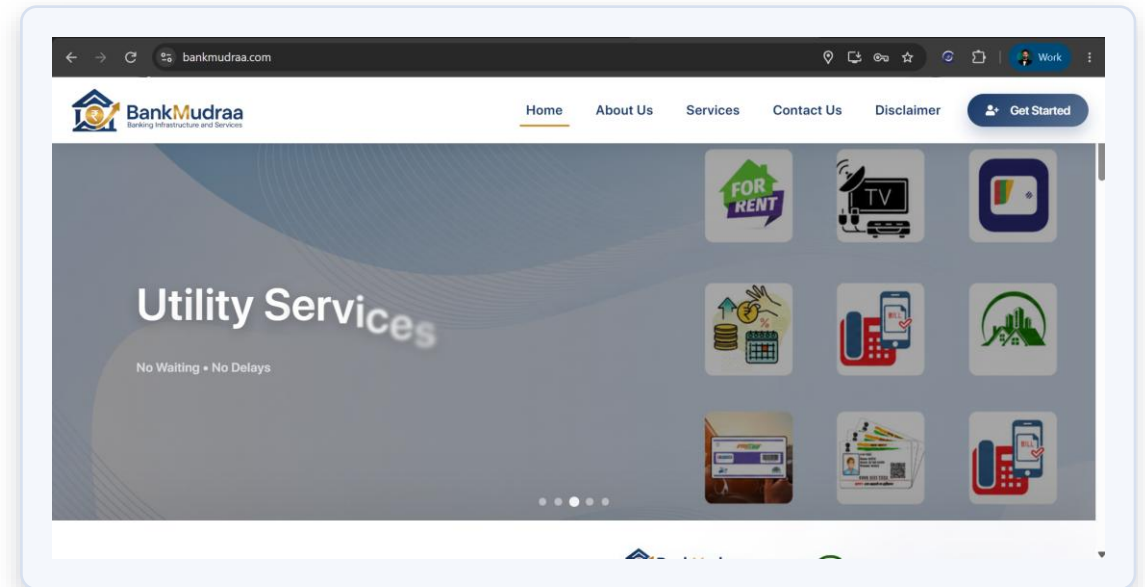

From the public landing page to login, 2FA, the dashboard, and wallet settlement — every screen a retailer sees, end to end.

Prepared for internal review

Portal Gateway — Landing Page

A clean public front door that funnels every visitor straight into the secure login flow.

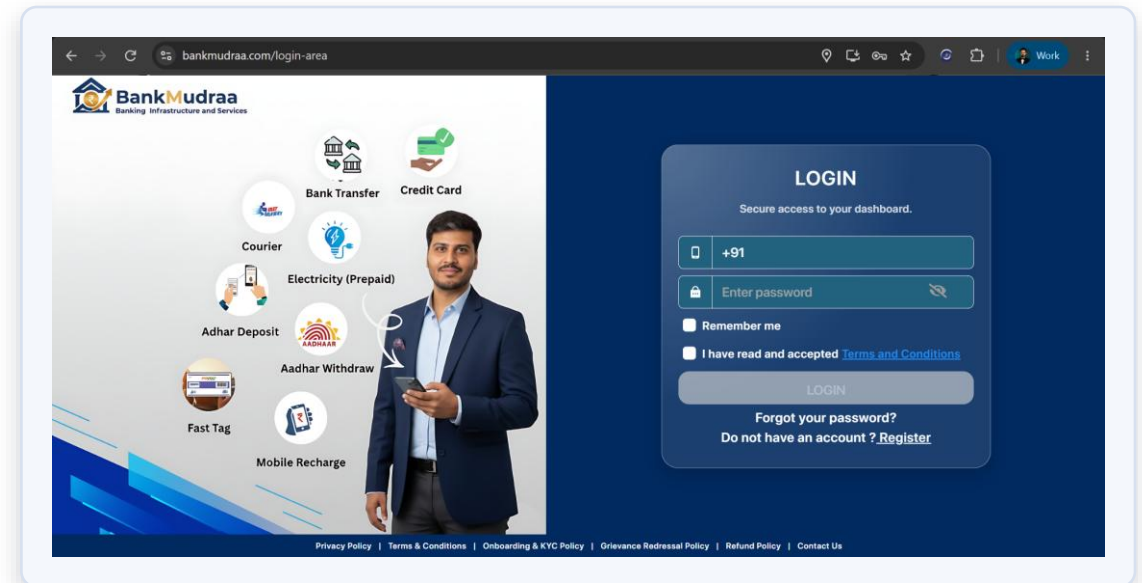

- **Top navigation** Home, About Us, Services, Contact Us, Disclaimer
- **Primary CTA** “Get Started” button, top-right → routes to /login-area
- **Hero banner** Animated service carousel: rent, TV/DTH, card, bills, landline, housing, Fastag, identity, recharges

Retailer Login — Secure Access

Credential entry gated by a mandatory Terms & Conditions checkbox before OTP dispatch.

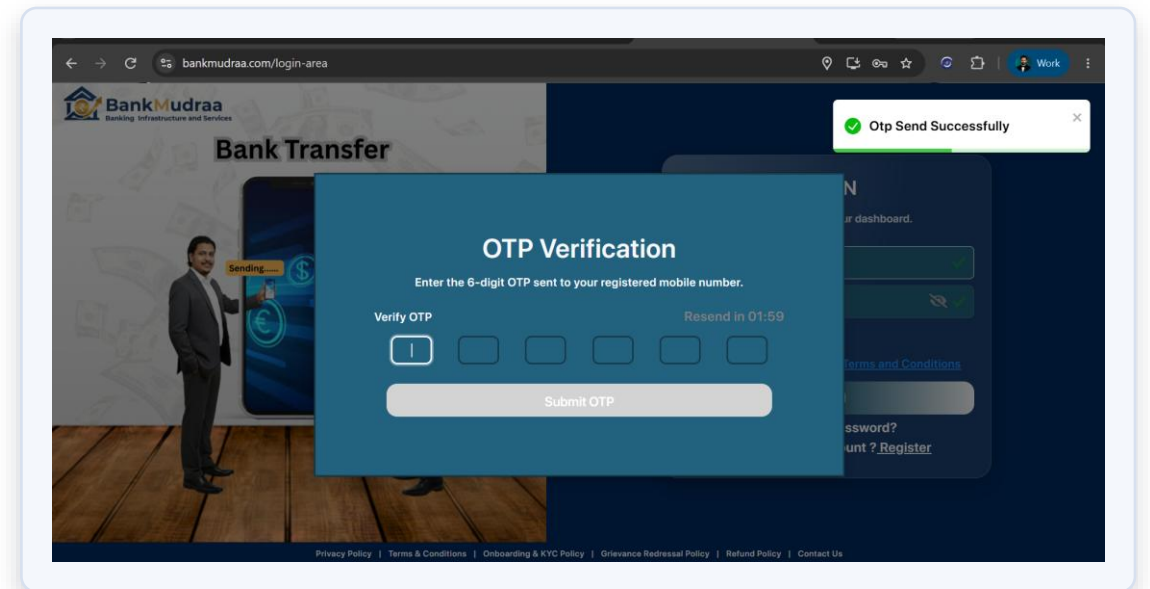

- **Mobile number** Required · +91 prefix · 10 digits, starts 6–9
- **Password** Required · masked by default · eye-icon toggle
- **Remember me** Optional · saves login locally
- **Terms & Conditions** Mandatory — LOGIN stays disabled until checked
- **On submit** Validates credentials, sends 6-digit OTP via WhatsApp/SMS

OTP Verification — WhatsApp / SMS 2FA

Bank-grade two-factor security stands between a valid password and dashboard access.

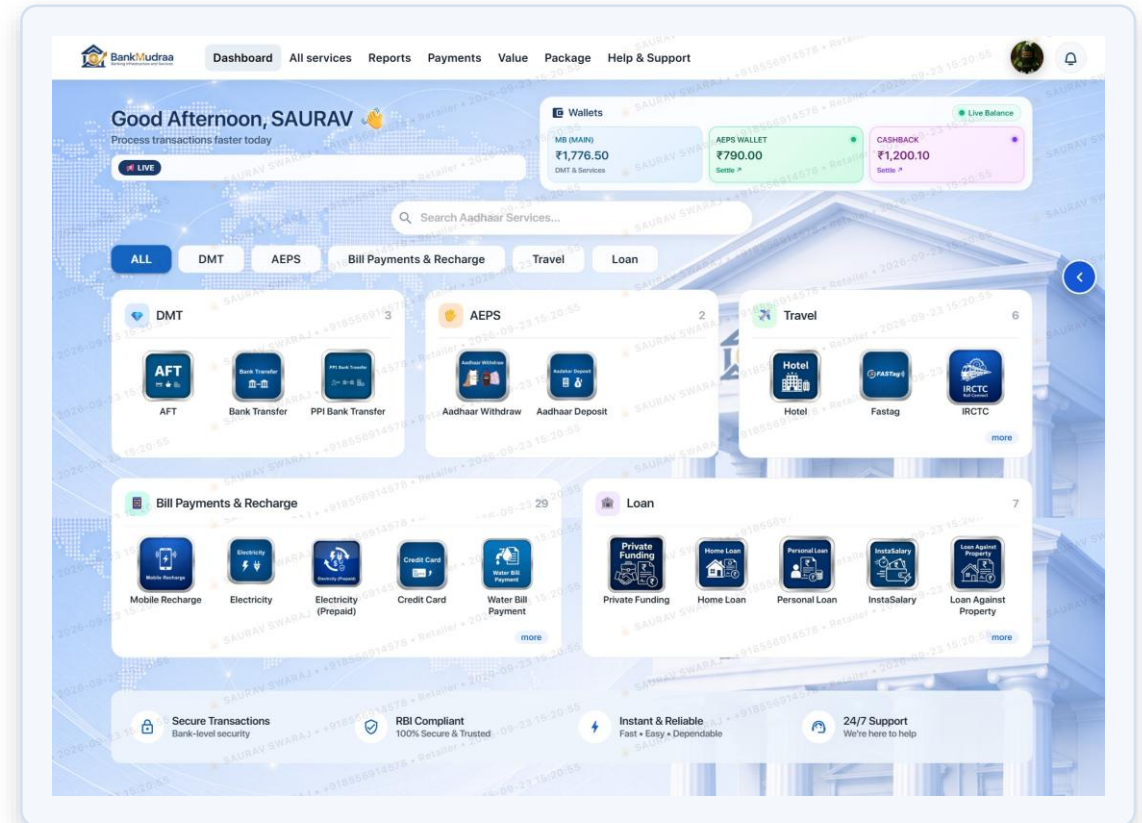

- **Success toast** Green banner confirms OTP dispatch
- **6-box input** Independent digit boxes, auto-advance focus
- **Countdown** 2-minute timer (01:59); Resend unlocks after expiry
- **Submit OTP** Backend verifies → JWT session → redirect to Dashboard

Retailer Dashboard — Command Center

Three live wallets and six service categories in one screen — the merchant's daily cockpit.

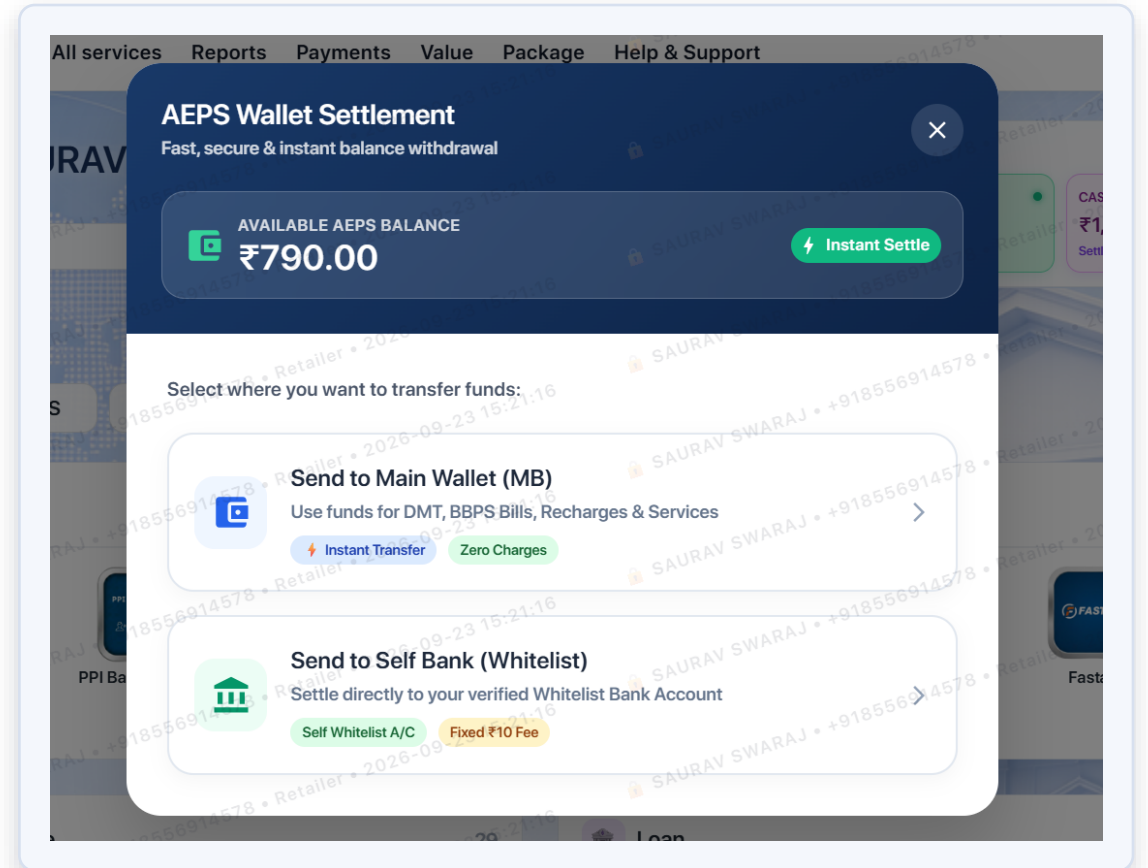

- **Live wallets** MB Main ₹1,776.50 · AEPS ₹790.00 · Cashback ₹1,200.10 — Settle links on AEPS & Cashback
- **Search + filters** All, DMT, AEPS, Bill Payments & Recharge, Travel, Loan
- **Service grid** DMT (3) · AEPS (2) · Travel (6) · Bill Payments & Recharge (29) · Loan (7)
- **Trust strip** Secure Transactions · RBI Compliant · Instant & Reliable · 24/7 Support

AEPS Settlement — Two Withdrawal Channels

Cash earned from fingerprint withdrawals converts to trading balance or bank funds in one tap.

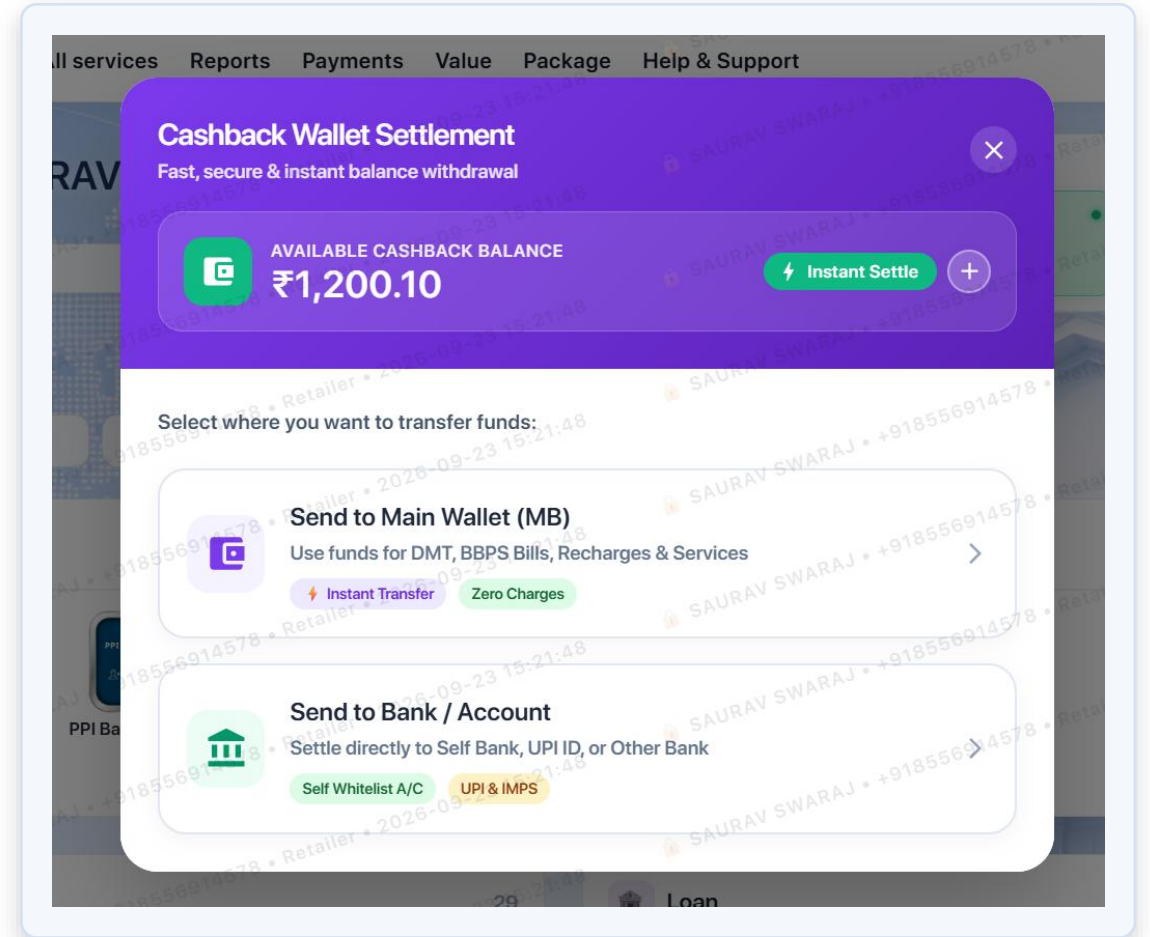

- **Send to Main Wallet (MB)** Zero charges · instant · usable across DMT, BBPS, recharges
- **Send to Self Bank (Whitelist)** Fixed ₹10 fee · IMPS/NEFT · pre-verified account only
- **Both paths require** Amount entry + 4-digit T-PIN to authorize

Cashback Settlement — Primary Selection

Incentive earnings redeem into trading capital or flow out through a bank channel of choice.

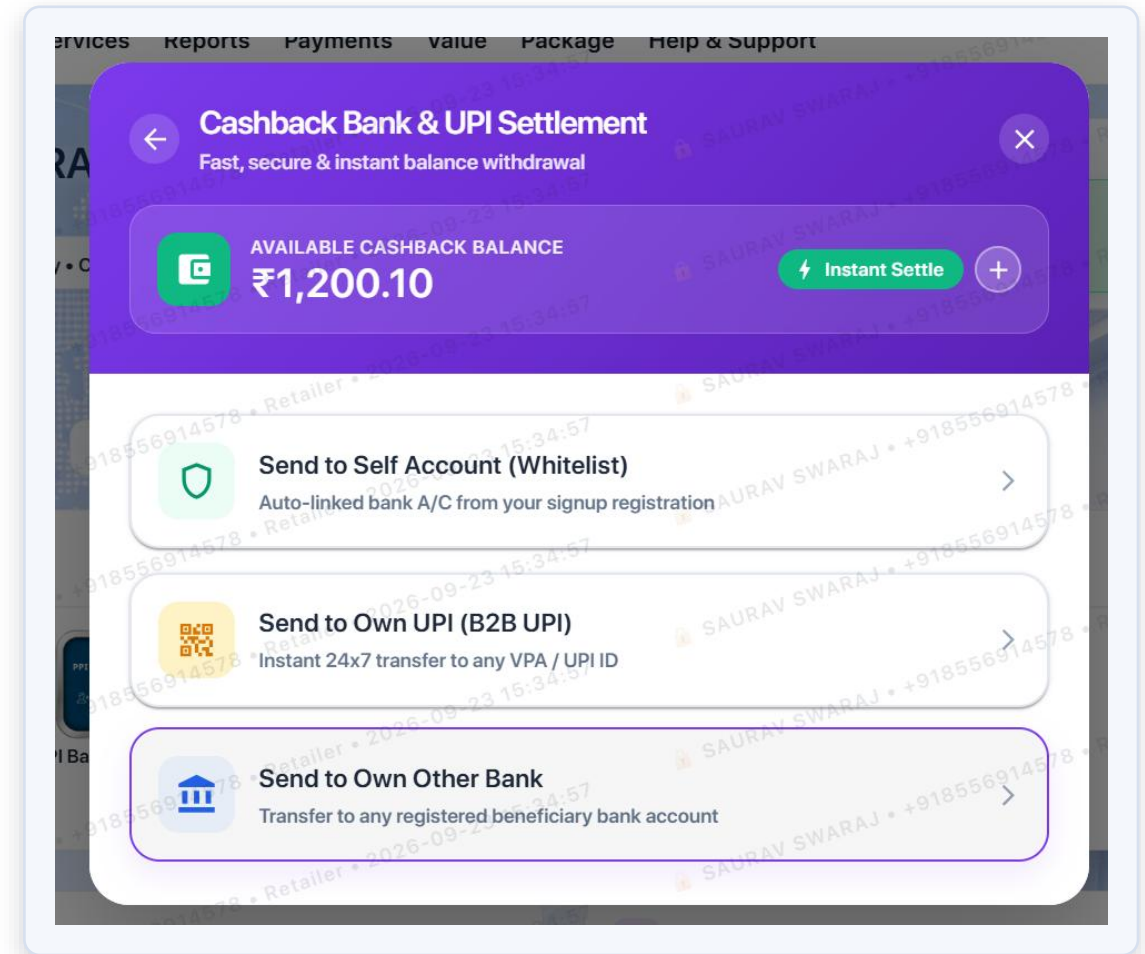

- **(+) top-up** Adds funds from Main Wallet into Cashback during promo campaigns
- **Send to Main Wallet (MB)** Zero charges · instant transfer
- **Send to Bank / Account** Opens the secondary channel picker (next screen)

Cashback Payout Channels — Three Rails

One tap reaches a whitelisted bank, any UPI VPA, or a second beneficiary account.

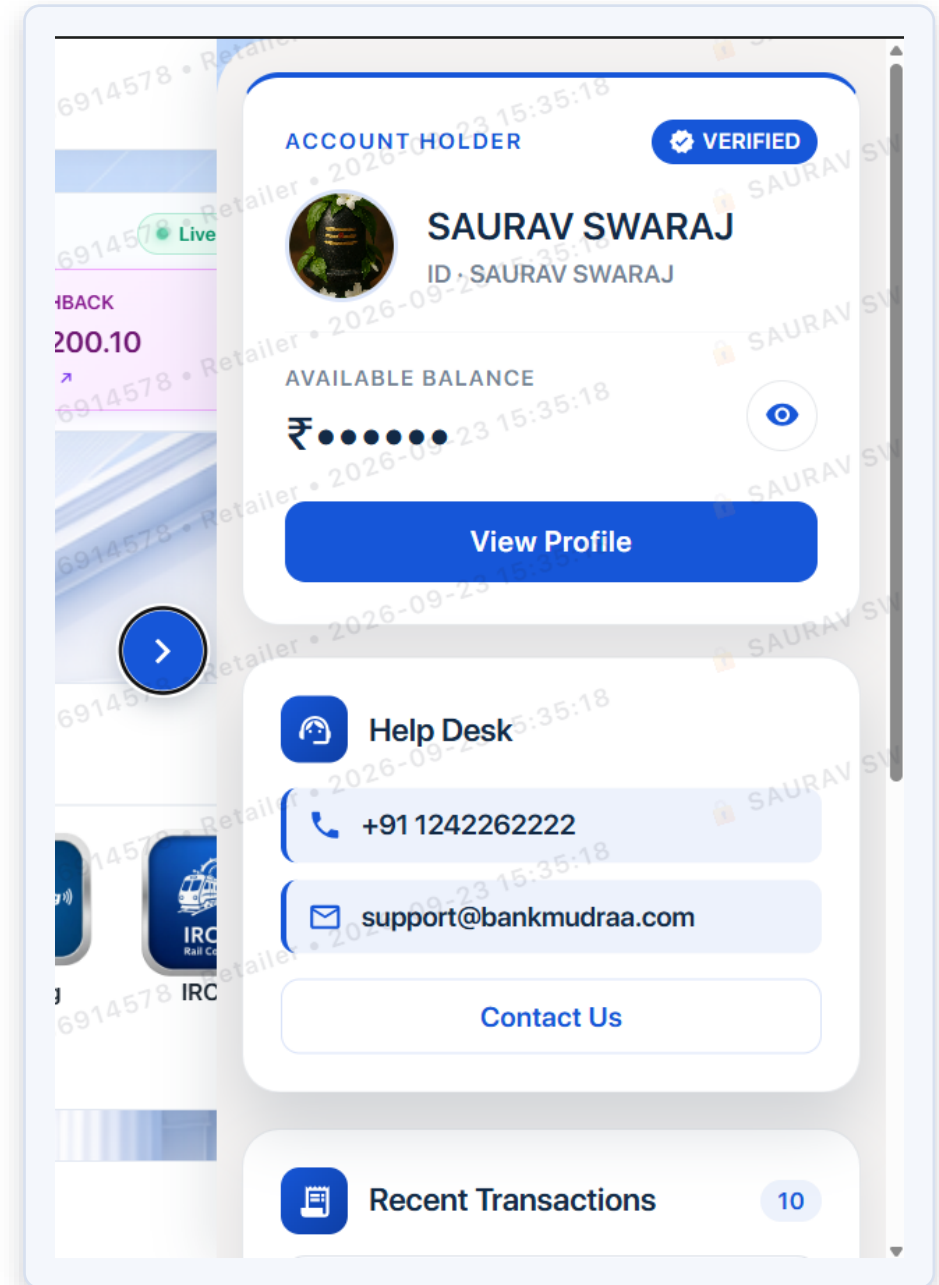

- **Self Account (Whitelist)** Auto-linked signup bank · amount + T-PIN
- **Own UPI (B2B UPI)** Instant 24x7 transfer to any VPA / UPI ID
- **Own Other Bank** Transfer to any registered beneficiary account

Profile Drawer — Privacy & Support

One click surfaces identity, a maskable balance, and a direct line to support.

- **Verified badge** Confirms completed KYC and authorized credentials
- **Masked balance** ₹••••• with eye-icon reveal for on-counter privacy
- **View Profile** KYC documents, certificate, bank accounts, password reset
- **Help Desk** +91 1242262222 · support@bankmudraa.com · Contact Us
- **Recent Transactions** Quick shortcut with badge count of latest activity

Eight screens. One seamless journey.

From a first-time visitor on the landing page to a retailer settling cashback into their own bank account — every step is fast, secure, and built for the shop counter.
